

## Lee & Kim's Personal information sorting worksheet

Cut out the boxes below and sort them into two groups: Personal information that is okay to share online (SID says YES: This is okay to share) and information that Lee and Kim should only share with people who they know and trust in real-life (SID says NO: Don't share).

Their full name

Their nickname

Where they live

If they have a pet

Where they like to play after school

Their favourite food

The name of their school

Photos of themselves or their friends
