

KEEP CALM AND STUDY Humanities

Humanities—Hope Project

Here are some ideas of activities to help support the Humanities curriculum with the theme of Hope. You can do these in any order and keep the results until you are back in school. We will be giving prizes for the best efforts.

<p>Watch the Prince of Egypt and draw a poster to show what it's about.</p> 	<p>Keep a chart of things you have recycled over a week—include plastic, cans and paper.</p> 	<p>Clapping for the NHS— why do people clap for the NHS? Draw a poster to show all the different jobs people do in the NHS.</p> 
<p>Find a stone or use a piece of paper. Design a foundation stone as part of a project to remember the Jews who died in the Holocaust—use this link— https://www.big-ideas.org/current-projects/foundation-stones/</p> 	<p>Find out about Queen Victoria: Who did Queen Victoria marry? How long did Queen Victoria reign? How many children did Queen Victoria have?</p> 	<p>Watch the Wizard of Oz and draw a poster of how it relates to Geography—use this link to help https://www.nationalgeographic.org/article/geography-goes-movies</p> 
<p>Find out the capital cities of: Australia, Bulgaria, Canada, Denmark, Estonia, Finland and Germany</p> 	<p>Watch a film from the 1980's like Back to the Future and if you can, film yourself giving a review</p> 	<p>Being Thankful at home—do something kind for someone you are thankful for at home. You could make a drink, or do the washing up. Take a picture to show what you've done.</p>
