

Humanities— how can we make life better?

Here are some ideas of activities to help support the Humanities curriculum with the theme of how can we make life better. As with the last project, you can do these in any order and keep the results until you are back in school.

We will be giving prizes and would love to display the best efforts.

<p>Make a 2D or 3D model of the Paris skyline</p> 	<p>Find out 5 facts about Martin Luther King and make a poster.</p> 	<p>Investigate and make a bird feeder. Take pictures of birds using it.</p> 
<p>Watch Laurel and Hardy on you-tube and write or draw a review</p> 	<p>Make a poster of what you have been doing at home and try and find the words in French</p> 	<p>Find out what the charity Oxfam does to help people and make a poster about it.</p> 
<p>Find out 5 facts about Florence Nightingale and record them on your phone.</p> 	<p>Make a 2D or 3D model of the layers of the earth.</p> 	<p>Bastille Day - July 14th - see if you can have a French day with French food, flags. Find out more on https://www.bbc.co.uk/bitesize/guides/zqgdwmn/revision/1</p>
