Dear Parents/Carers

At Bradfields Academy we value the feedback we receive from parents and carers. Feedback helps us to know when we are getting things right and when we need to further develop our practice or offer.

Previous feedback from surveys led to improvements in the range of extra-curricular activities on offer both at lunchtimes and after hours; it enabled us to consider offering virtual as well as face to face pastoral and curriculum day appointments and had a positive impact on our approach to remote education especially during the lockdown period. Parents and Carers also previously cited how happy they were with the education their child was receiving, and how supportive the staff working with their children were.

We would, therefore, be very grateful if you would spend 10minutes completing our annual parent and carer survey via the link below:

[Parent & Carer Survey](#)

Please complete the survey by: Friday 3rd December

Thank you for your support.

Yours sincerely

Ms M Sweetlove
